## *Fairy and comfort a stone's throw from Paris the secret for a perfect Festive Season*

Whether we are an adult or a perpetual child, no one can stay unmoved from the charming Winter and Festive Season. Christmas fairy settles in Les Etangs de Corot and a lot of stays and activities are offered to create some unforgettable memories.

During December, Les Etangs de Corot turns into a real mountain chalet where comfort and relaxation await the child's soul. A pine cone will be given to each guest while checking in at the hotel, a true invitation to come at Les Paillotes. In exchange of the pine cone you will get a hot wine or a hot orange juice. Seated in the middle of the hides, Les Paillotes will warm you up while enjoying the magical view over the ponds of Ville-d'Avray. Here a stalactite sparkling under the sun, there an audacious duck on the ice covering the water: everything is made to help you get away and enjoy a true winter escape few minutes away from Paris.

For the occasion, the Christmas Spa comes out from Santa's sack and offers a spa treatment followed by a Christmas tea time at Les Paillotes. Hot orange juice, hot wine, cinnamon biscuits and pretzels will be served to extend the benefits of this wellness moment.

For those who rather prefer to enjoy a *Christmas break* or a *Christmas for Lovers*, both stays are back this year and offer the opportunity to spend Christmas Eve at Les Etangs de Corot with a special dinner at Le Café des Artistes with a glass of champagne but mainly to wake up on December 25<sup>th</sup> in the middle of nature. For the lovers, two 50-minute spa treatments are added and will put some extra softness in this timeless moment.

The happy tribes will not be left apart with the *Family Christmas* offer where adults and children alike will enjoy adapted activities. A Divine Duo Massage for adults while kids enjoy a creative Christmas workshop... It will be time to gather and enjoy a Christmas dinner at Le Café des Artiste before going to bed in the familial room and wish to glimpse Santa's sled in the dark night.

The latecomers will be able to join for New Year's Eve few days after with a last stay to end the year perfectly. The colorful *Painter's Eve* offers a dinner at Le Café des Artiste or the Michelin star restaurant Le Corot before

slips into Morpheus' arms. Then, to start 2019 on the right way, the first brunch of the year with champagne will be served in the restaurant Le Corot and lobster, truffle and champagne will be served to start this new vintage.
